Mr. Henry C. Soto, President
America's Beautiful Cities
San Pedro, California

Dear Mr. Soto:

This is written in reply to your recent letter requesting permission to accept liquid waste to enrich the soil mantle on the completed landfill known as the Southwest Conservation Site. Permission is hereby granted in accordance with Section 2.400 of Industrial Waste Permit No. 3366 to accept those liquids therein listed.

This permission is applicable for purposes of site completion only and does not extend the permit requirements in any manner.

Very truly yours,

John A. Lambie
COUNTY ENGINEER
